In Search of the Lost Chord Danny Goldberg boken PDF

'Danny Goldberg is probably one of the purest, most reasonable guides you could ask for to 1967.' Ex-Rolling Stones manager Andrew Loog Oldham. 'Weaves together rollicking, rousing, wonderfully colourful and disparate narratives to remind us how the energies and aspirations of the counterculture were intertwined with protest and reform ... mesmerising.' The Nation It was the year that saw the release of the Beatles' Sgt. Pepper's Lonely Hearts Club Band, and of debut albums from the Doors, the Grateful Dead, Jimi Hendrix and Janis Joplin. The year of the Summer of Love and LSD; the Monterey Pop Festival and Black Power; Muhammad Ali's conviction for draft avoidance and Martin Luther King Jr's public opposition to war in Vietnam. On its 50th anniversary, music business veteran Danny Goldberg analyses 1967, looking not only at the political influences, but also the spiritual, musical and psychedelic movements that defined the era, providing a unique perspective on how and why its legacy lives on today. Exhaustively researched and informed by interviews including Allen Ginsberg, Timothy Leary and Gil Scott-Heron, In Search of the Lost Chord is the synthesis of a fascinating and complicated period in our social

and countercultural history that was about so much more than sex,
drugs and rock n roll.
